

Twice each year, First Baptist Church hosts a children's consignment sale that is open to the community. The sales are in the Fall and in the Spring. The sales are excellent opportunities to get great deals on high quality children's clothes, furniture, toys, and other items. The sale is also open for people to participate by putting their own items in the sale. To participate, come by the church office to get more information. The number of participants is limited so sign up early.
